Introduction

Mallika is an accomplished lawyer with rich experience in domestic and cross border transactions. She also routinely advises early and mid stage investment funds as well as start ups in their funding transactions.

Mallika also advises on matters pertaining to intellectual property laws and media and entertainment laws. She is able to guide clients in maximising their IP assets and unlocking value beyond the traditional industry deal making constructs.

Her extensive legal experience is bolstered by a degree in Finance and International Business. This combination of legal acumen and financial insight enables her to navigate the intricacies of high-stakes transactions and offer strategic counsel to clients across diverse industries. Whether guiding companies through transformative mergers, safeguarding intellectual property assets, or addressing employment law challenges, Mallika is committed to delivering comprehensive and tailored legal solutions.
